My Bible Friends

I Can Read Bible Series – Books for Beginning Readers

Pathways of the Pioneers

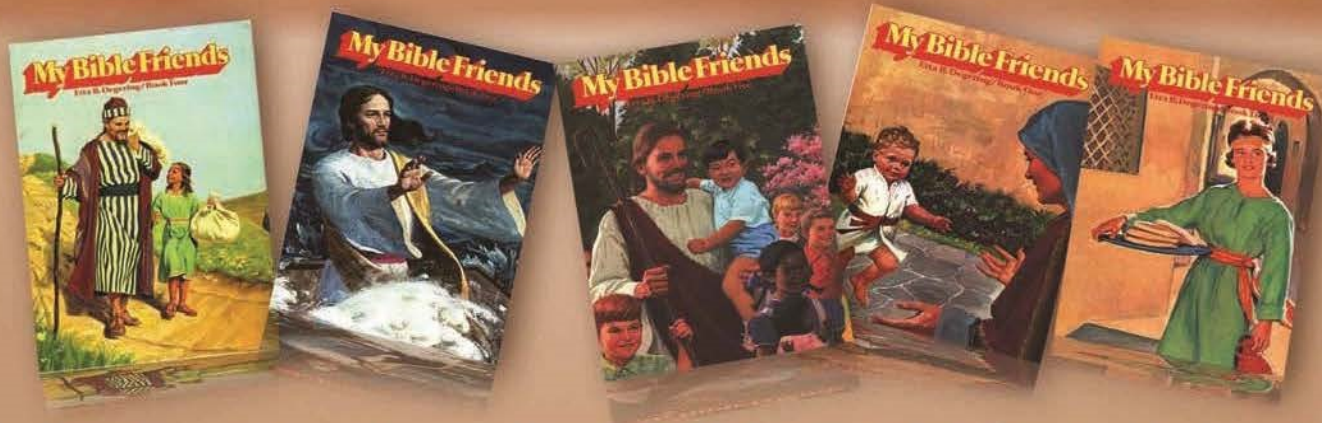

Adventist Heritage Ministry

My Bible Friends are carefully crafted to hold the attention of younger minds. This five volume set captures the heart of preschool age children in word and double-page pictures with natural colors on every page. Each read-aloud story teaches without preaching and develops young minds with the inclination to do right. Approximately 5-10 minutes in length, each story is ideal for short attention spans and contains simple words for easy comprehension. Special attention has been given to the rhythm, meter, and repetition that preschoolers love. These books are designed with gorgeous mylar covers for lasting beauty and durability.

I Can Read Bible Series

Terrific Books for Beginning Readers!

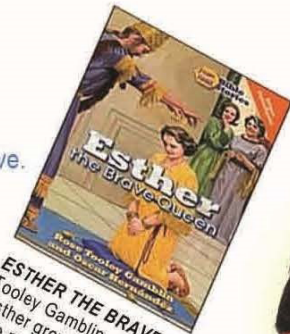

I CAN READ SERIES

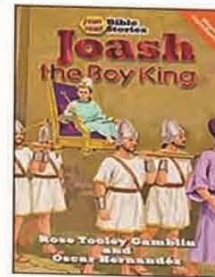

introduces children to the joy of reading! Designed to be read by the child (with a little help from you), these character-building stories use easy words to tell stories from the Bible, from nature, and from everyday life. Even early readers can succeed in reading the whole book by themselves. Paperback, 32 pages.

- **READING LEVEL.** Each book has been given a reading level score, based on the Flesch-Kincaid readability statistic.
- **SPECIAL PAGE FOR PERSONALIZATION.** On page 3 children can write their name and the date, indicating that they have read the book "all by myself!"
- **VOCABULARY.** The vocabulary is listed for books leveled 0.0-1.9 as a tool for teachers/parents to ensure the success of their students. Challenge words are listed for books leveled 2.0 and above.
- **CRITICAL THINKING QUESTIONS.** The critical thinking questions at the back of each book are intended to provide more learning opportunities.
- **ACTIVITIES.** Additional activities are included to give the child an extended learning opportunity in each major discipline - Bible, language arts, math, science, and social studies.
- **PATHWAY THEMES.** The I Can Read series has been designed for the Reading Workshop program and correlates with the North American Division Pathways themes.

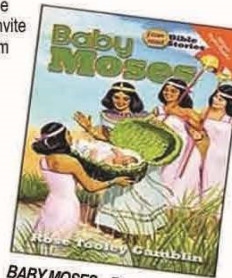

All books are bilingual (English and Spanish). This component makes these books a welcome addition to any Spanish language acquisition program.
