**MOVING ON UP**

<https://youtu.be/VriFMiPg3Ts>

**Players:**

- One or two person teams

**Materials needed:**

- (39) 18 oz plastic cups of one color
- (1) 18 oz plastic cup of another color

**Object of the game:**

- Moving the odd color cup up through the stack of cups until it reaches the top position in the fastest time within a minute

**How to Play:**

- Game begins with the 39 like color cups stacked on top of the odd color cup and placed on the table between to the two players.
- When the clock starts, player one picks up the stack with one hand. Player two takes the top cup and places it unto the bottom. Player one now releases the cups to player two and then proceeds to take the top cup and placing it unto the bottom of the stack.
- Play alternates until the odd color cup reaches the top of the completed 40-cup stack held with one hand by the last player.

**Penalty:**

- Only one cup moves at a time – if more than one cup moves, the cups must return to the top of the stack before continuing with the game.
