FIELD GOAL

<https://youtu.be/x-b d8YcAcY>

Players:

- **Two person team**

Materials needed:

- **(13) 18oz plastic cups**
- **(1) 36inch yard stick**

Object of the Game:

- **To create the uprights of a field goal by balancing 6 cups on each end of the cross bar. Fastest time within a minute wins**

How to play:

- **Begin with one cup placed upside down on to a flat service. Then balance the cross bar (yardstick) on top of the cup. The two players positioned at their end of the cross bar each have six cups.**
- **When the clock starts players begin stacking the cups onto their end of the cross bar beginning with the cup right side up then alternating them to form the uprights of the field goal.**
- **Game ends with all twelve cups are in position and hands are free from the cups.**
