STACK ATTACK

<https://youtu.be/YAHCax66rrM>

Players:

- One or two person team

Materials:

- Flat surface such as a table
- (36) 18oz plastic cups

Object of the game:

- To stack into a pyramid shape all 36 cups only to dismantle it and place the cups back into one stack in the fastest time within one minute

How to play:

- On a flat surface, place one stack of 36 18oz cups.
- When the clock begins players work together to build a pyramid with the bottom row of eight cups, second row of seven, third row of six until the top row of one cup. Once all cups are stacked, the players dismantle the cups returning them to one stack on the flat surface.
- Fastest time within one minute wins.

Penalty:

- If the pyramid falls during construction, construction must continue until the last cup is placed on top. There is no penalty but the clock and play continues.
- If the pyramid falls during dismantling, the play continues by gathering the cups and placing them into one stack.
