HANGING BY A THREAD

<https://youtu.be/IQvA0DdFUSA>

Players:

- **Two persons per team**

Materials:

- **Two 36 inch lengths of dental floss with the center 8 inches marked as transporting zone**
- **Tree number 10 common nails**
- **Three 18oz plastic cups**
- **One 11 inch diameter bowl**

Object of the game:

- **To transport the three nails suspended on the dental floss to the bowl**

How to Play:

- **Begin with the three nails suspended on the three cups that are up-side down on the table**
- **The two players are holding the two pieces of dental floss stretched out between them**
- **When the clock begins the players use the floss to pick up a nail and transport it to the bowl**
- **Repeat transporting the nails until all three are placed into the bowl**
- **Fastest time to complete this exercise within one minute wins**

Penalty:

- **Transporting the nail outside of the designated zone, is not allowed. If the nail moves outside the zone, the players must work the floss to bring the nail back into the zone before proceeding towards the bowl.**
- **If the transport is completed with the nail outside of the safe zone the transport does not count and the nail must be returned to the beginning resting stand**
- **If the nail drops before reaching the bowl, return to the starting point for a new nail to transport.**
