Fundations

Fundations K-2 by Wilson Language Training is a comprehensive/balanced literacy program that includes spelling and handwriting. Separate spelling or handwriting books need not be purchased for grade levels where Fundations is taught. See below for order form or [click here](#).

DIEBELS

Grades K- 1

Phoneme Segmentation Fluency Measure, DIBELS (Dynamic Indicators of Basic Early Literacy Skills, University of Oregon). To order, contact your local conference Office of Education.

Writing Process Portfolios

Writing Process Portfolio K-2

The Pathways target skills are summarized on the inside top of the folder and should be used for planning instruction for teaching writing to students in grades K-2. The portfolio is designed to assist teachers in tracking pupil progress as students move from their individual baselines towards mastery of standards. To order, contact your local conference Office of Education.

Writing Process Portfolio Grades 3-8

The Southern Union Writing Process Portfolio for Grades 3-8 is the basis for writing instruction in these grades. The writing standards as summarized on the top inside of each student folder should be used to plan instruction. Each area-The Quality Writing Process (3.1), Writing Skills for Multiple Forms and Various Audiences (3.2), and Conventions (3.3) - must be thoroughly addressed when selecting materials for lesson planning. Also available is the teacher's binder with instructions, rubrics, and resources. To order, contact your local conference Office of Education.
