

Parent Newsletter

Dear Families,

Our class is about to begin a month-long social studies and literature unit focused on our world and others. As we explore our world of people who work, live, and serve in our community we will explore the similarities that exist in the cultures around our world. The theme

of this unit is "Who's My Neighbor?" For this unit we will read the following books:

- Me on the Map
- Adele and Simon
- Be My Neighbor
- Career Day

We will focus on the concepts of diversity while teaching the book, "Me on the Map."

Children will enjoy a variety of activities while applying the concept of diversity. We will learn about the importance of accepting individual differences in everyday life.

At the end of the month the students will participate in a Heritage Celebration. This special day will include a special program which will end with a Culture Feast. We will need parent volunteers for this event so please feel free to sign up.

Thank you for your continued support,

Your Teacher
