

Working on Certification? Do You Need Academic Credit?

The [Adventist Learning Community](#) is pleased to offer 4 new technology courses this summer! These ALC Community Courses are offered in the style and rigor of the Adventist Virtual Learning Network (AVLN) courses, which include two weekly discussion forums and a final project. Courses run from June 17 through August 2, 2019. One (1) graduate credit is available through Andrews University for a recording fee of \$150. Enrollment opens March 1, 2019.

Summer 2019 Courses:

- Technology for 21st Century Learning
- Integrating Technology in Service Learning
- Technology in the Early Elementary Classroom
- Global Communication Collaborations
