**Puppies Are Presents**

Puppies are presents,  
The squirrels are too.  
The night is a present  
God gives to you.

Flowers are presents,  
Butterflies are too.  
The birds are a present  
God gives to you.

The rain is a present,  
The sunshine is too.  
Our food is a present  
God gives to you.

Mommies are presents,  
Daddies are too.  
Our friends are a present  
God gives to you.

But of all the presents  
That God does send  
The very best gift  
Is Jesus our friend.
