

Dear Family,

In this unit, students will learn that God has given us families. We will read the following books throughout the unit:

1. *Mama, Do You Love Me?*

2. *Alaska Animal Babies*

3. *The Emperor's Egg*

During the next three weeks we will focus on the concepts of commitment and family relationships. At the end of the unit, we will take all that we've learned and culminate with a Family Celebration.

This week we will be learning about the Inuit culture and will have a fun Inuit Celebration on Friday!

Your child's teacher,

---
