Pre-Kindergarten Classroom Standard for Accreditation

- **Note:** This standard is for schools with a stand-alone pre-kindergarten classroom or a combined prekindergarten/kindergarten classroom. (*This standard does not apply in the Pacific Union Conference and Church of Canada*)
- **Standard:** Developmentally appropriate practices for young learners in early childhood education classrooms are in place to meet the academic and social needs of the children prior to entering formal schooling.
- **Evidences:** Classroom observations, approved curriculum, lesson plans, children's work/portfolio, assessment, instructional materials, equipment, and or resources, student handbook, professional development, financial statement, photos, certificates/license, written health and safety plan.
