Poetry Reading

There are great big sounds that make me feel grand,
The proud, rich beat of a marching band.
And ocean waves crashing on rocky shores,
Or a thunderstorm, when I'm safe indoors.

Some sounds can scare me, like a growling dog,
Or a screeching cat, or a grunting hog.
Other sounds are sad, like a cry of pain,
But I listen for happy ones, and I'm glad again.
