

## What are Southern Union Schools saying about the SU-LIR Program?

### AYDLR:

- Cynthia Murray: I am loving this all right now...can you imagine how much, more dynamic teaching can be and how much easier lesson planning is with this...it's all in one spot! Great resources!
- Cynthia Murray: I definitely feel like I could not learn this during the school year. I've taken this training at least 3 times, but my brain as a teaching Principal just would not allow me to process and integrate this into my brain, but now in the summer, this has been better for me. Another Principal and I were chatting about this during our 5 minute break.
- Cynthia Murray: I finally get it!
- Kim Ellis Ludden: It's great that we can use it with Google Classroom! Thank you!
- Sandra Fletcher: Refreshing
- Lori Busch: Thank you so much!!!! if you could get the conferences to let you present at teacher's meetings, it would really help! I'm writing mine now. Thank you again!
