# OPINION PARAGRAPH: PREWRITING

An opinion paragraph is a group of sentences that tells how the author feels about a particular topic.

Parts of opinion paragraph:

- A topic sentence that states the author's opinion
- Detail sentences give reasons and examples
- A conclusion restates the opinion in different words

My Opinion: art class is the best

First reason: inventing  
Because: mixing colors to  
make new colors

Second reason: imagination  
Because: painting anything I  
can think of

Conclusion: I really enjoy art class
